

THE COUNCIL ON FINANCE AND ADMINISTRATION
Recommendations to the 2025 Annual Conference

Each and every disciple of Christ is called to be stewards of the blessings from God. On behalf of the Council on Finance and Administration, I want to thank all United Methodists in South Carolina for their generosity in 2024. We praise God for our churches and the way they continue to positively respond to the various challenges the Conference faces. We achieved a 90.34% collection rate on apportionments. We celebrate the Columbia District for collecting the highest percentage at 111.01%, and also for achieving the largest percentage increase at 17.91.

The following pages outline the complete ministry funding plan for our South Carolina Annual Conference for calendar year 2026. The Council has sought to prepare this document with deep prayer and faithful reflection. The Council is aware that the target is to have a budget at or around 15% of total Conference average net funds. We are happy to report that this percentage has been below the 15% target rate since 2020.

The recommended budget for 2026 is lower by \$1,379,990 compared to 2025 and is estimated to be 11.76% of average net funds. This significant reduction is to reflect the apportionments estimated to be sustainable by the Conference's remaining churches.

We appreciate the service of Mrs. Elizabeth (Beth) Westbury, our Annual Conference Treasurer and Director of Administrative Services. We are thankful for the Treasurer's Office staff and the many ways they support our local churches. I am also constantly grateful for the devoted work every lay and clergy member of the Council on Finance and Administration. They attend, interact, debate and support the work of the Council in a most faithful and dependable manner. We are especially thankful to Bishop Leonard Fairley for his advice and support during the budget preparation process.

May God continue to bless and guide all the ministries of our beloved S.C. Annual Conference!

Mr. D. Smith Patterson,
President, Council on Finance and Administration

Report No. 1

- A. The compensation for the District Superintendents for the year 2026 will be set at \$109,835, a 0% increase. (DS compensation for 2025 is \$109,835 and 2024 was \$107,681) In accordance with paragraphs 613.13 and 614.1a of the 2020/2024 Book of Discipline, housing for each superintendent shall be provided in the form of a parsonage, funded by the respective district as provided in paragraph E below.
- B. The Council on Finance and Administration of the South Carolina Annual Conference, The United Methodist Church, hereby designates 15% (\$16,475) of the district superintendent's salary for the year 2026 as allocated for parsonage utilities and maintenance ("utility exclusion"), not including expenses paid by the district. Any subsequent changes to the utilities exclusion that may be requested by an individual may be approved by the Treasurer on behalf of the Council on Finance and Administration.
- C. The District Administration Fund will be handled as follows:
 - 1) The item "Office Expense" in the District Administration Fund will be for the operation of the District Office to pay such items as secretary, postage, and supplies and will be set at \$22,000 per district. This is an increase of \$1,000 per district over the 2025 amount and is to help absorb the 3% raise for staff recommended for 2026.
 - 2) Exceptions: Inasmuch as the Columbia District Office must be in The United Methodist Center, one-half of that office rent will be paid from the Conference Expense Fund. Inasmuch as the Columbia District superintendent is designated as the Cabinet secretary, one-half of the salary and benefits of the secretary in that office will be paid from the Conference Expense Fund.

- 3) Travel (in and out-of-district) is set at \$170,000 for the total of all districts, which includes \$8,000 for the common lodging and meal expenses of retreats. This will be set at \$13,500 per district or an allocated amount set by the Cabinet not to exceed a total of \$162,000. District superintendents will be reimbursed for actual meal and hotel expenses (not per diem) when reasonable in amount and supported by a detailed receipt. In addition, insurance & pensions is expected to be approximately \$310,000 (\$31,000 per district for 10 district superintendents), and continuing education will be set at the amount recommended by the Commission on Equitable Compensation (currently at \$750 per superintendent).
- 4) Vouchers for continuing education must be approved prior to payment. The unused portion of the Continuing Education allowance may be carried forward from year to year during a district superintendent's tenure, not to exceed a total amounting to three year's Continuing Education allocation. The accumulation is cancelled in full when a district superintendent leaves the superintendency. It does not carry forward to the new district superintendent. However, by application to the CF&A in advance of leaving the superintendency, the district superintendent may within a reasonable length of time use the unused portion of the Continuing Education allowance to take training that would assist in his/her return to the parish ministry or other appointment. For the year in which there is a move, one-half of the Continuing Education allowance will be available for each superintendent.
- 5) The funds for program in each district are based on the membership of the district, beginning with a base of \$2,800 for the smallest membership district and adding \$100 for each one thousand (1,000) members, or major fraction thereof, above 18,000. These funds are not guaranteed and are contingent upon the apportionment receipts and other requirements of the district administration fund. The schedule for 2026 will be as follows (Final amounts will be reflected in the 2025 Journal):

District	2024 Membership	Amount

- D. Each District Board of Trustees shall administer all funds for the District Parsonage Fund, which provides funds for parsonage payments, repairs, insurance and furnishings (not to include parsonage utility payments). The moving expenses of an in-coming district superintendent may also be paid from the District Parsonage Fund, not to include more than \$350 packing expenses. To comply with the change in tax law effective January 1, 2018 whereby reimbursements of moving expenses become taxable compensation to the recipient, the amount of reimbursement will be included in the district superintendent's taxable income as reported on Form W-2. Reimbursements of moving expenses for district superintendents shall be paid without the benefit of a gross up for taxes. Each district office shall provide its trustees with regular reports of all receipts and expenditures of the District Parsonage Fund.
- E. Below are the percentages of average net funds that each church is asked to pay to its respective District Parsonage/Office Fund (Avg. Net Funds will be printed in the Journal):

- 30 Conference Advance Specials Sunday – November 1, 2026

32 B. We offer the following:

- 33 1) That all boards, commissions and committees receiving funds from the conference treasurer shall submit
34 with each voucher adequate supporting data (receipts, bills, contemporaneous travel log, etc.). Payments in
35 excess of \$1,000 should be approved by the Conference Treasurer in advance.
- 36 2) That boards, agencies and conference institutions which are allowed to withdraw lump sums from the
37 conference treasurer shall submit an annual audit (with management letter) by a certified public
38 accountant to the Council on Finance and Administration, along with evidence of fidelity insurance
39 coverage and compliance with payroll tax laws.
- 40 3) That all boards, commissions and agencies of the conference reimburse persons at a rate of 24 cents per mile
41 when traveling on conference business. In order to encourage carpooling, we recommend that if a car
42 contains two persons traveling on church business, the mileage rate be increased to 32 cents; if a car
43 contains three or more persons all traveling on church business, the rate be increased to 40 cents per mile.
44 Pastors who are members of such agencies should submit reimbursement requests to their appointed
45 church or charge for the difference between their conference reimbursement and the approved IRS mileage
46 rate, since participation in the ministries of the district and conference is an expected responsibility of all
47 appointed pastors. Conference employees will be reimbursed at the approved IRS mileage rate when

traveling on church business. We recommend that other expenses for travel on church business be paid. We also recommend that the guideline amount paid to a person for meals shall be \$7.00 for breakfast, \$13.00 for lunch and \$20.00 for the evening meal.

- 4) That the balance held for each board, commission, committee or agency on the books of the conference treasurershall be carried forward from one year to the next and that this shall be taken into consideration in the subsequent budget request.
- 5) That conference boards and agencies may not spend in excess of funds received on budget for the given conference year, except that funds carried forward may be spent in addition to funds received in the current year if such carryover funds were included in the budget presented to CFA. Any expenses beyond the combination of anticipated receipts (based on previous-year percentage of payment) plus budgeted carryover funds will not be paid by the treasurer.
- 6) That "average net funds" as used in the calculation of 2026 apportionments shall mean for each church the two-year average of net funds in the years 2024 and 2023. Newly organized churches will be phased in over four years, but for the years prior to the organization of the new church, the net funds figure will be zero. Satellite churches will be phased in beginning in the first year they do not receive support from Congregational Development. "Net funds" for churches that provide a housing allowance in lieu of a parsonage will exclude the lesser of the actual housing allowance or 25% of the minister's compensation prior to calculating the church's average net funds.
- 7) That "net funds" be defined as the total of figures reported on lines 41 through 47 (inclusive) of Table 2 for 2023 and 2024.
- 8) That once the apportionments are calculated from Table 2 statistics for any given year, those apportionments cannot be altered. Needed corrections can be made on Table 2 reports for use in future year calculations by providing written explanation of the correction to the Treasurer.
- 9) Total apportionment funding for Methodist Homes Residents' Assistance (item 11, Report No. 9) reflects changes in funding as a result of Methodist Oaks being sold to a for-profit entity. Methodist Oaks requested the Conference continue assistance for four individuals in residence there. Based on the monthly assistance requested and the life-expectancy of the individuals, an expected need has been projected. For 2026, the apportionment request is reduced and the allocation of funds among the participating homes is adjusted. The recommended allocations are:

	2025	2026
Methodist Oaks	27%	30%
Wesley Commons	50%	48%
Methodist Manor	23%	22%
- 10) That the funds received on the apportionment for Senior College Scholarship Fund (item 9, Report No. 9) be divided in three equal parts, one-third each going to Wofford College, Columbia College and Claflin University; that the funds received on the apportionment for Camps and Retreat Ministries (item 12, Report No. 9) be distributed to the various Camps and Retreat Ministries as determined by the Board of Trustees of the South Carolina United Methodist Camps and Retreat Ministries.
- 11) That the Annual Conference Council on Finance and Administration be authorized to grant amounts from the Conference Contingency Fund or Permanent Reserve to meet any individual emergency or unanticipated need.
- 12) That the salaries and fixed essential expenses of Conference Connectional Ministries (section A-4 of the Conference Benevolences budget) be funded up to 100% of budget by using funds from the Contingency Fund; the remainder of that budget will be funded at the percentage paid on the line item.

- 13) That the salaries and benefits portion of the Campus Ministry budget be funded up to 100% of budget by using funds from the Contingency Fund; the remainder of that budget will be funded at the percentage paid on the line item.
- 14) That the budgets of the District Superintendent Salaries, Director of Administrative Services, the Conference Archivist Contract and the Coordinator of Clergy Services be funded up to 100% of a year-end deficit, but not more than the amount budgeted, by using funds from the Contingency Fund.
- 15) The Council on Finance and Administration of the South Carolina Annual Conference, The United Methodist Church, hereby designates 15% of the salary for each conference clergy staff for the year 2026, exclusive of a designated housing allowance, as allocated for utilities and maintenance ("utilities exclusion"), not including maid service. Any subsequent changes to the utilities exclusion that may be requested by an individual may be approved by the Treasurer on behalf of the Council on Finance and Administration.
- 16) That local churches of the conference incorporate. An informational pamphlet prepared by the Conference Chancellor and the Cabinet is available at www.umcsc.org. After incorporation, churches should take care to maintain with the Secretary of State, an accurate, up-to-date record of the name and address of their registered agent.

Report No. 3

As noted in our report to the 2009 Annual Conference, economic uncertainties led to the reduction in apportioned budgets for the Senior Scholarship Fund, Spartanburg Methodist College, and Methodist Homes Residents' Assistance Fund. The trend of reducing the budgets for these significant ministries continues. In an effort to increase the funds available for these ministries without adding to the apportionment budget, the voluntary asking Extra Mile for Colleges and Homes was increased from \$600,284 for 2017 to \$625,000 for 2018. We ask churches with sufficient resources to continue to support the Extra Mile for Colleges and Homes. However, beginning in 2024, the Extra Mile funding request is no longer calculated for churches based on the apportionment formula and included on the bottom of the apportionment statement as a voluntary asking. Removing the Extra Mile pledge is to better communicate that it is a voluntary asking and not linked to apportionment payments.

	2025 Actual	2026 recommendation	Notes for 2026
Senior Scholarship Fund	67%	67%	One-third to each: Claflin University, Columbia College, Wofford College
Methodist Homes	15%	15%	Wesley Commons 70% Methodist Manor 30%
Spartanburg Methodist College	18%	18%	All to Spartanburg Methodist College
